If you require a copy of the current order form sending to you contact us by email or phone on 01952 582969. Upon receipt of an order the booking will be made and confirmation will be forwarded to you within 24 hours. Please do not phone through your order unless you need to discuss it, or you want to make a late booking i.e. placing the order on the day of delivery.

Minimum Orders

To aid the cost effectiveness of our business and maintain price structure, it is necessary that we apply a minimum order quantity which is five people, unless otherwise agreed prior to order.

Late Bookings

We will always try to accommodate late bookings, but pre-planned production may have an impact on the time we have available to deliver the buffet. Late orders may also be subject to changes to the chosen menu depending on availability. Due to increasing demand we would highly recommend allowing a minimum of two days notice when placing an order, but we will always try to accommodate late orders where feasible. To place an order on the same day as delivery, please phone our office as early as possible on 01952 582969 and you will be advised of available delivery times. You will then be required to send through the order by email or fax in the usual way.

Cancellations

A minimum of 24 hours notice is very much appreciated, however, cancellation can be accepted up until 7.30am on the day - please notify us by phone. No charge will be made for cancelled orders complying with the above deadline however cancellation received after 7.30am may have to be charged in full.

Terms and Conditions

Complaints Procedure

If you encounter any problems with an order no matter how small, please notify our office immediately on receipt of the buffet and we will do everything possible to rectify the situation straight away. All feedback from our customers is acted upon and very much appreciated.

Delivery/Collections Procedures

To aid the cost effectiveness of our business we operate a 'drop & go' delivery service and buffets should be ordered with a delivery time 30 minutes prior to the planned time to eat. This will ensure that your orders are received in time, allowing for any unforeseen delays encountered on the delivery schedule. The collection of all platters, baskets, crockery etc will normally be undertaken the following day between the hours of 8.30am and 10.30 am. **Please arrange for all the equipment (including all foil platters and baskets) to be ready for collection - any missing or damaged items will be charged for at the full replacement cost.**

Delivery Charges

Due to increased costs from our suppliers and in particular vehicle running costs it has been necessary to apply a delivery charge of £2.50 for each delivery within a 6 mile radius of Telford. For multiple deliveries to one premises the charge will be split pro-rata. No delivery charge will be made for morning/afternoon refreshments when a lunch has also been ordered. Deliveries outside of the Telford area may be subject to an additional delivery charge, this will depend on the numbers being catered for and the chosen menu.

Invoicing Procedures

Please ensure that any specific instructions regarding invoicing are detailed on the order form. Payment can be made by cash, cheque, debit/credit card or direct bank transfer (our bank account details are available upon request). Once an account has been set up we can offer 30 days credit terms. These credit terms do not apply to payment by credit card which will be processed on the day the supply is made. Our credit terms are strictly 30 days and we reserve the right to apply interest at 5% per month on all overdue accounts. All prices quoted are subject to VAT.
